GREATER CLARK COUNTY
ROTARY  FOUNDATION

What is Rotary?

Rotary is a worldwide organization made up of business and professional leaders who provide humanitarian services throughout the world. Living by the motto "Service Above Self" Rotary encourages high ethical standards in business, vocational and personal environments.

Rotary is people caring about people. Approximately 1.2 million Rotarians in more than 31,000 Rotary Clubs, across 167 countries, work independently and as a whole to promote world peace and understanding.

What is the Rotary Club of Greater Clark County?

Along with supporting Rotary internationally, per capita, the Rotary Club of Greater Clark County supports more local programs, service projects and community organizations than any other club in our district.

Founded in 1974, RCGCC is the second largest club in Southwest Washington. We meet once a week on Thursdays and are well known for service projects, fun meetings and an active membership.

How does RCGCC serve our community?

Each year, our Club earmarks service projects for both financial and "in-kind" support in areas of Community Service, Vocational Service, International and Club Service. Some of those recipients are listed on the back of this brochure.

How does RCGCC fund its projects?

We have many fundraisers. In the past we have raised money by rose sales, New Year's Eve Gala as well as auctions. Proceeds go directly to the Greater Clark County Rotary Foundation, a 501(c)(3) non-profit organization. The Foundation then distributes funds for the Club's chosen service projects and programs.

How can you make a difference?

Support of any of our fundraisers is greatly appreciated. We also welcome cash donations through check and credit cards. Please make payable to the "Greater Clark County Rotary Foundation". Talk to a Rotarian about joining Rotary!

Please learn more about us at: www.rotary.org. It could change a life.

**Consult your tax advisor about tax deductible charitable donations.*
